Acceptance Rate: 19.7%

Does “Talk Only” Submission Help?

Acceptance Rate vs. Submission Type

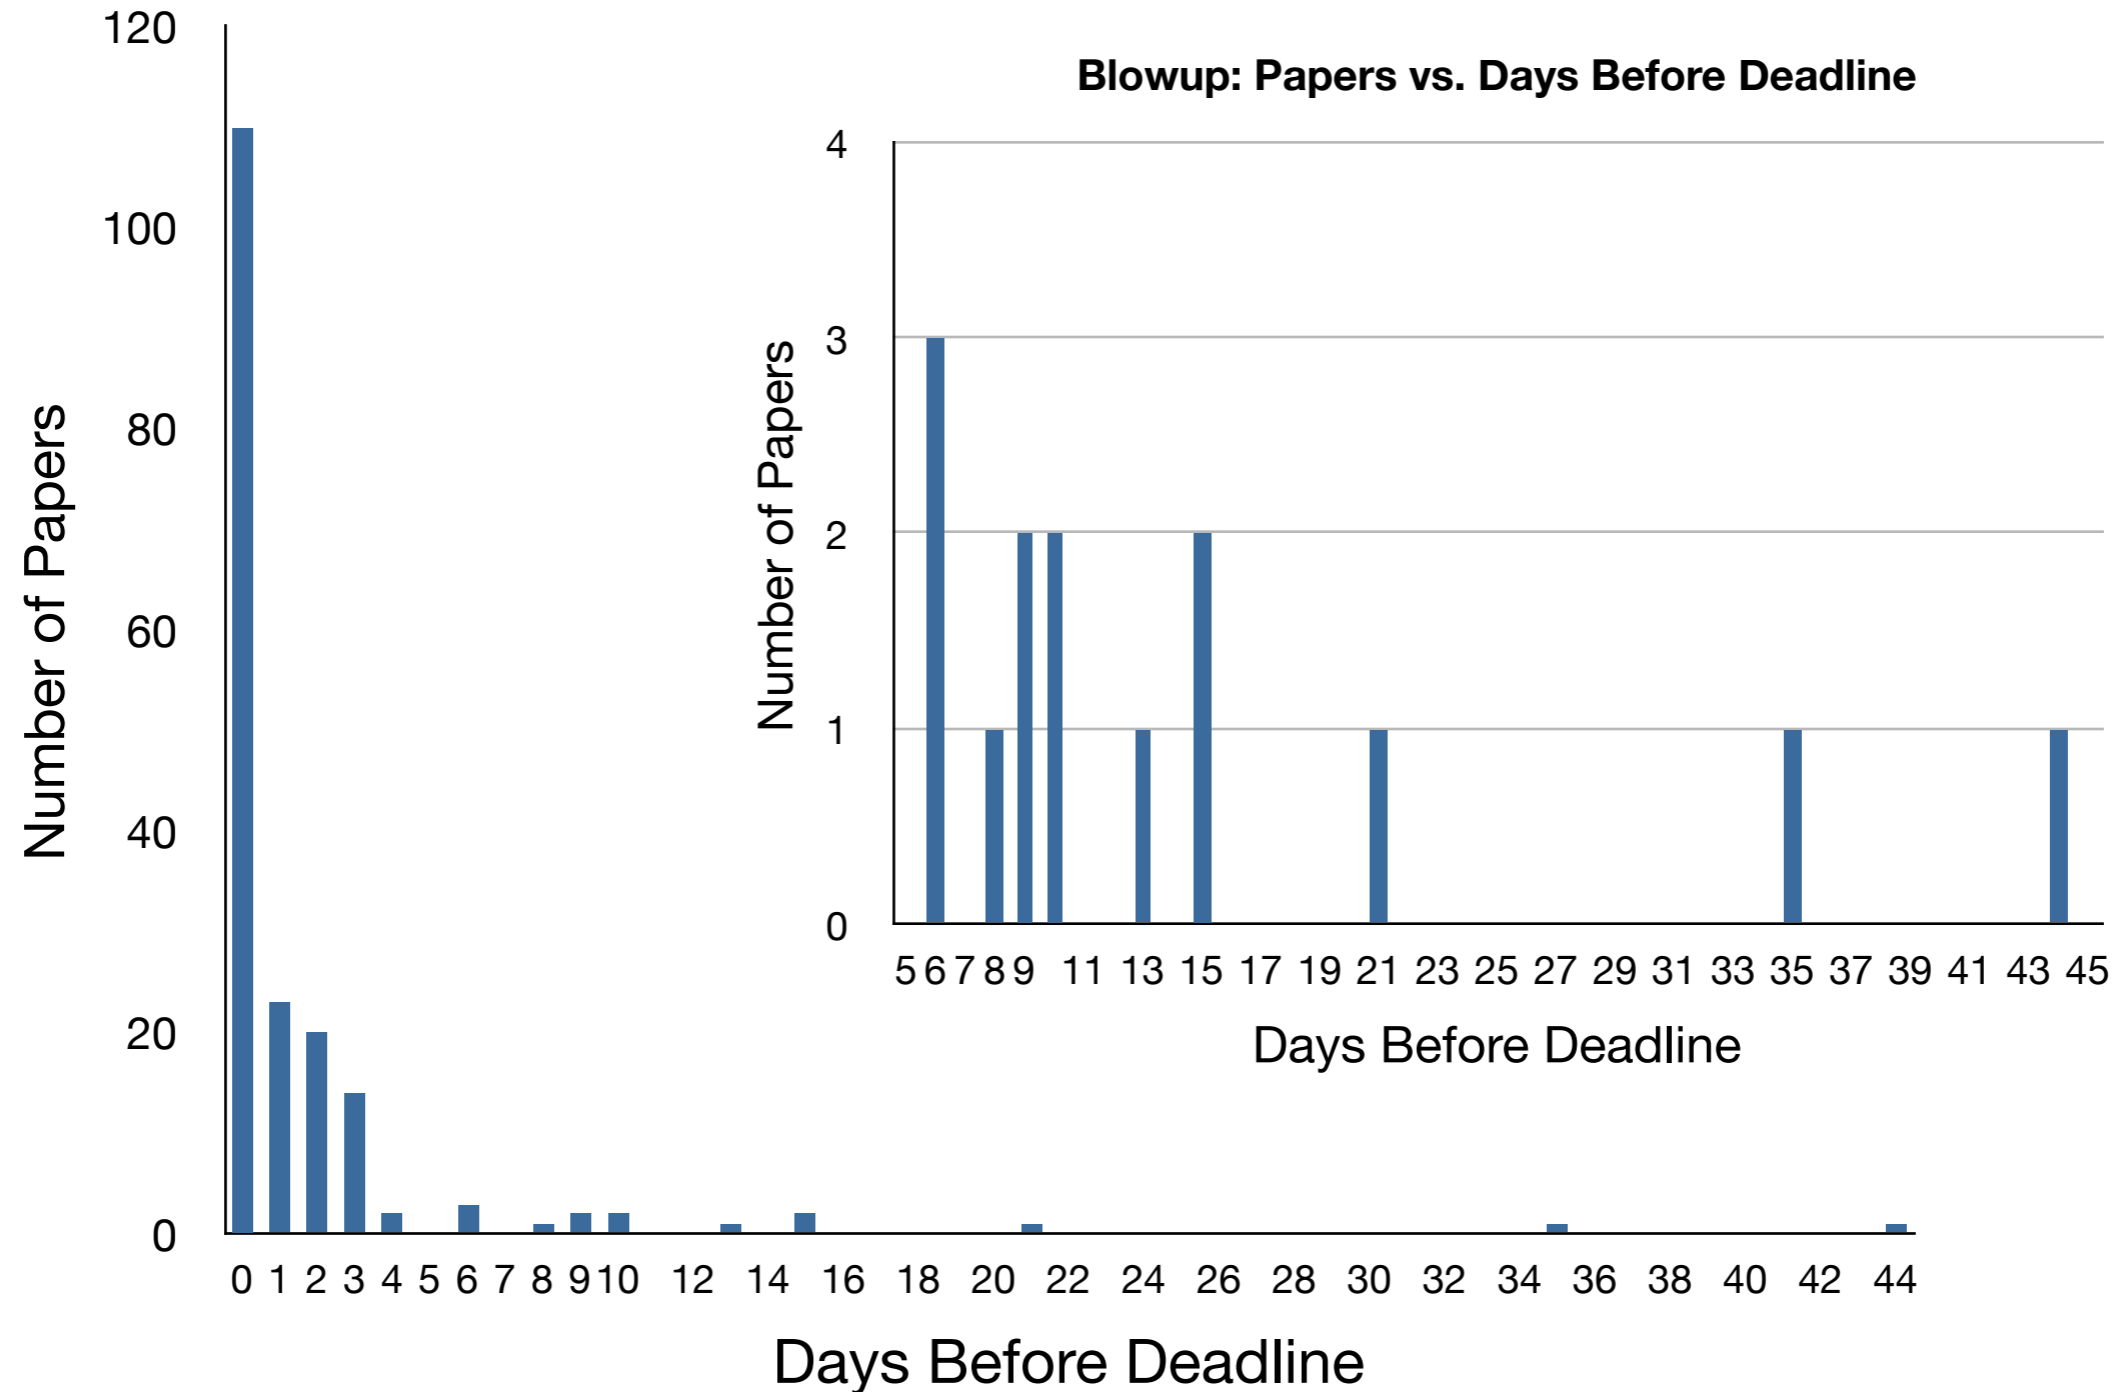

Variance for 19.7% acceptance rate, 90 submissions: 0.04

- Type of submission did not form part of PC discussion.
- Clearly, some referees did not even look at the type of submission.
- Possibly some correlation due to author's choice of submission type.

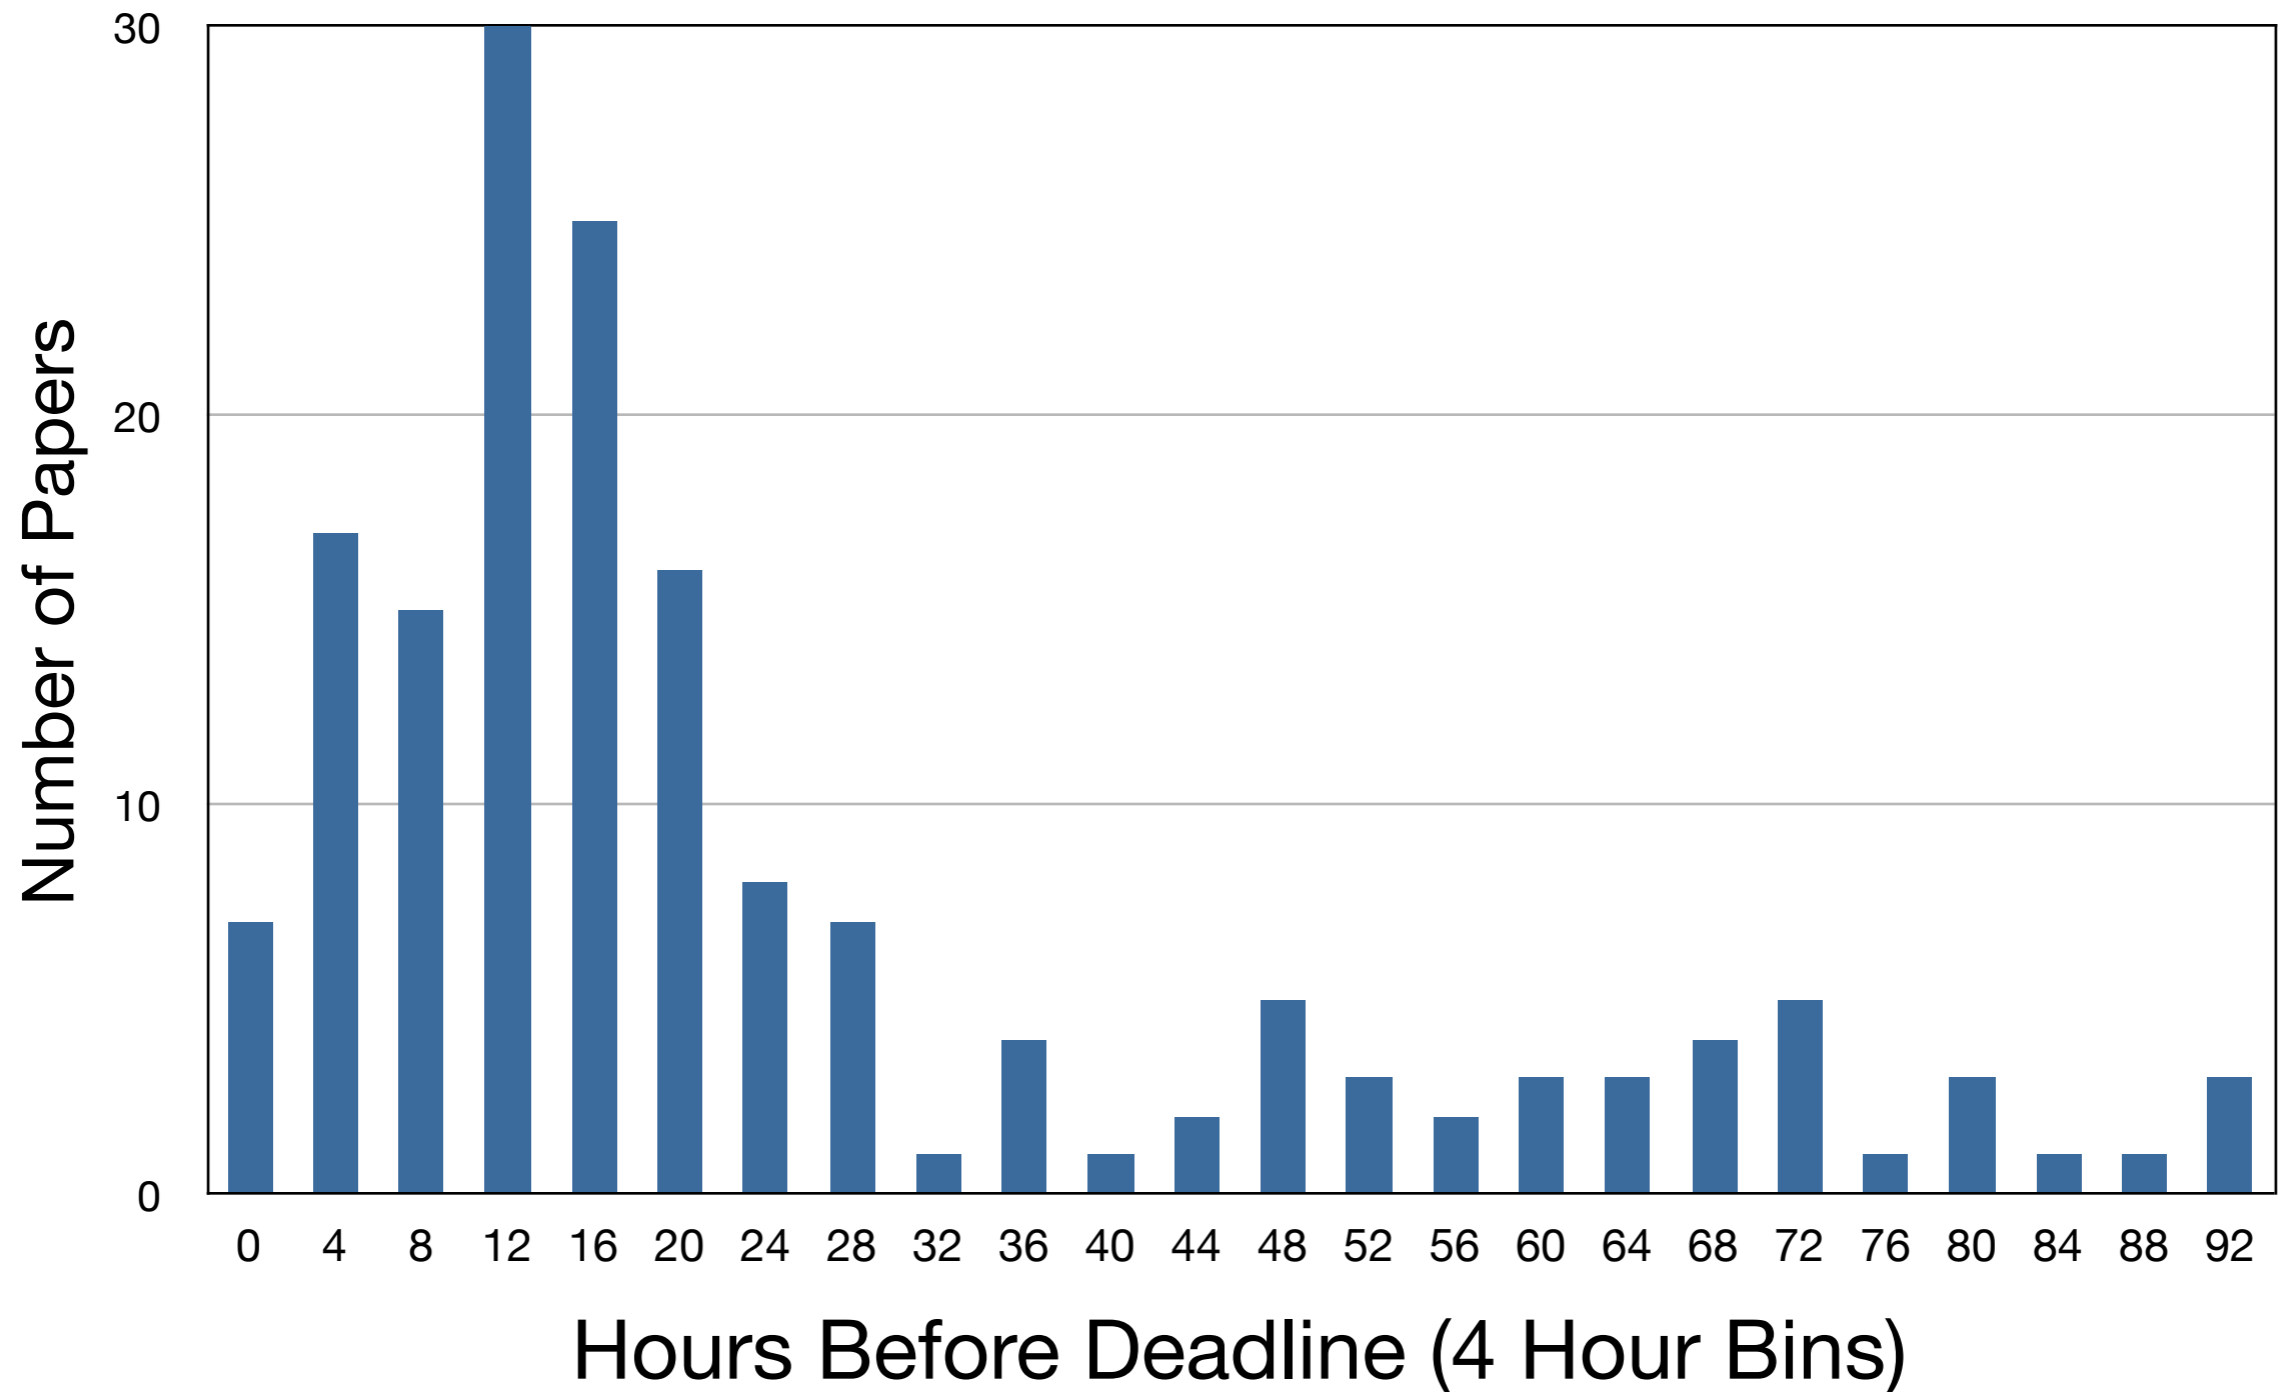

Number of Submissions vs. Time (Days)

Number of Papers Submitted vs. Days Before Deadline

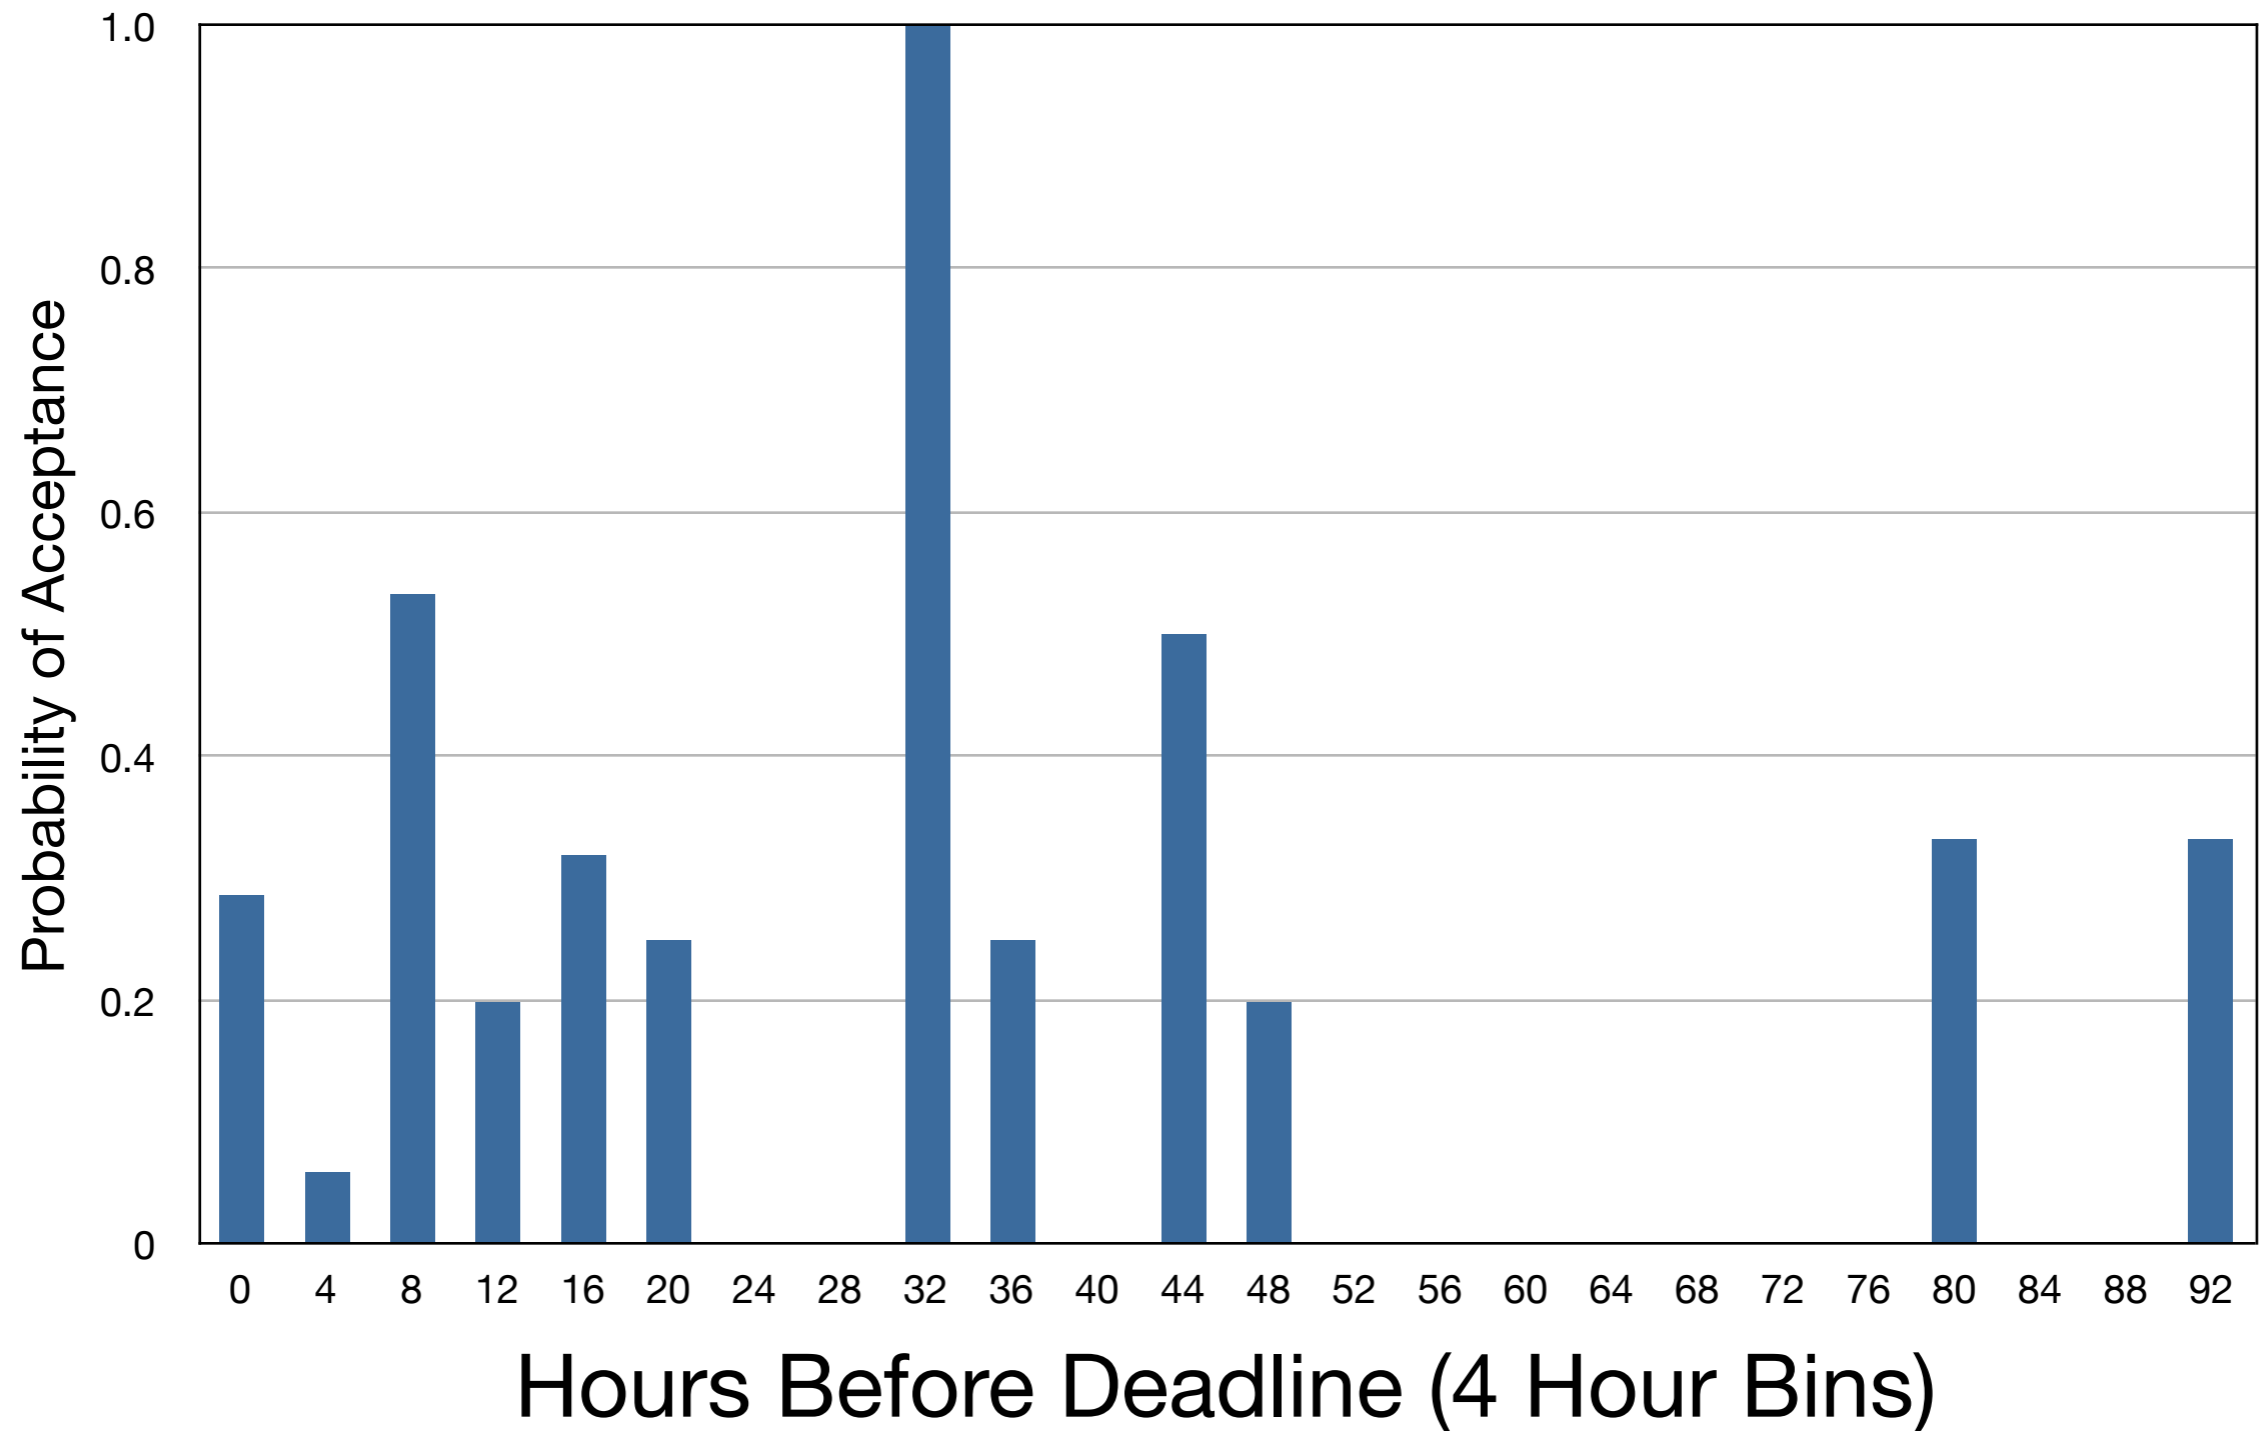

Number of Submissions vs. Time (Hours)

Number of Papers vs. Time Before Deadline

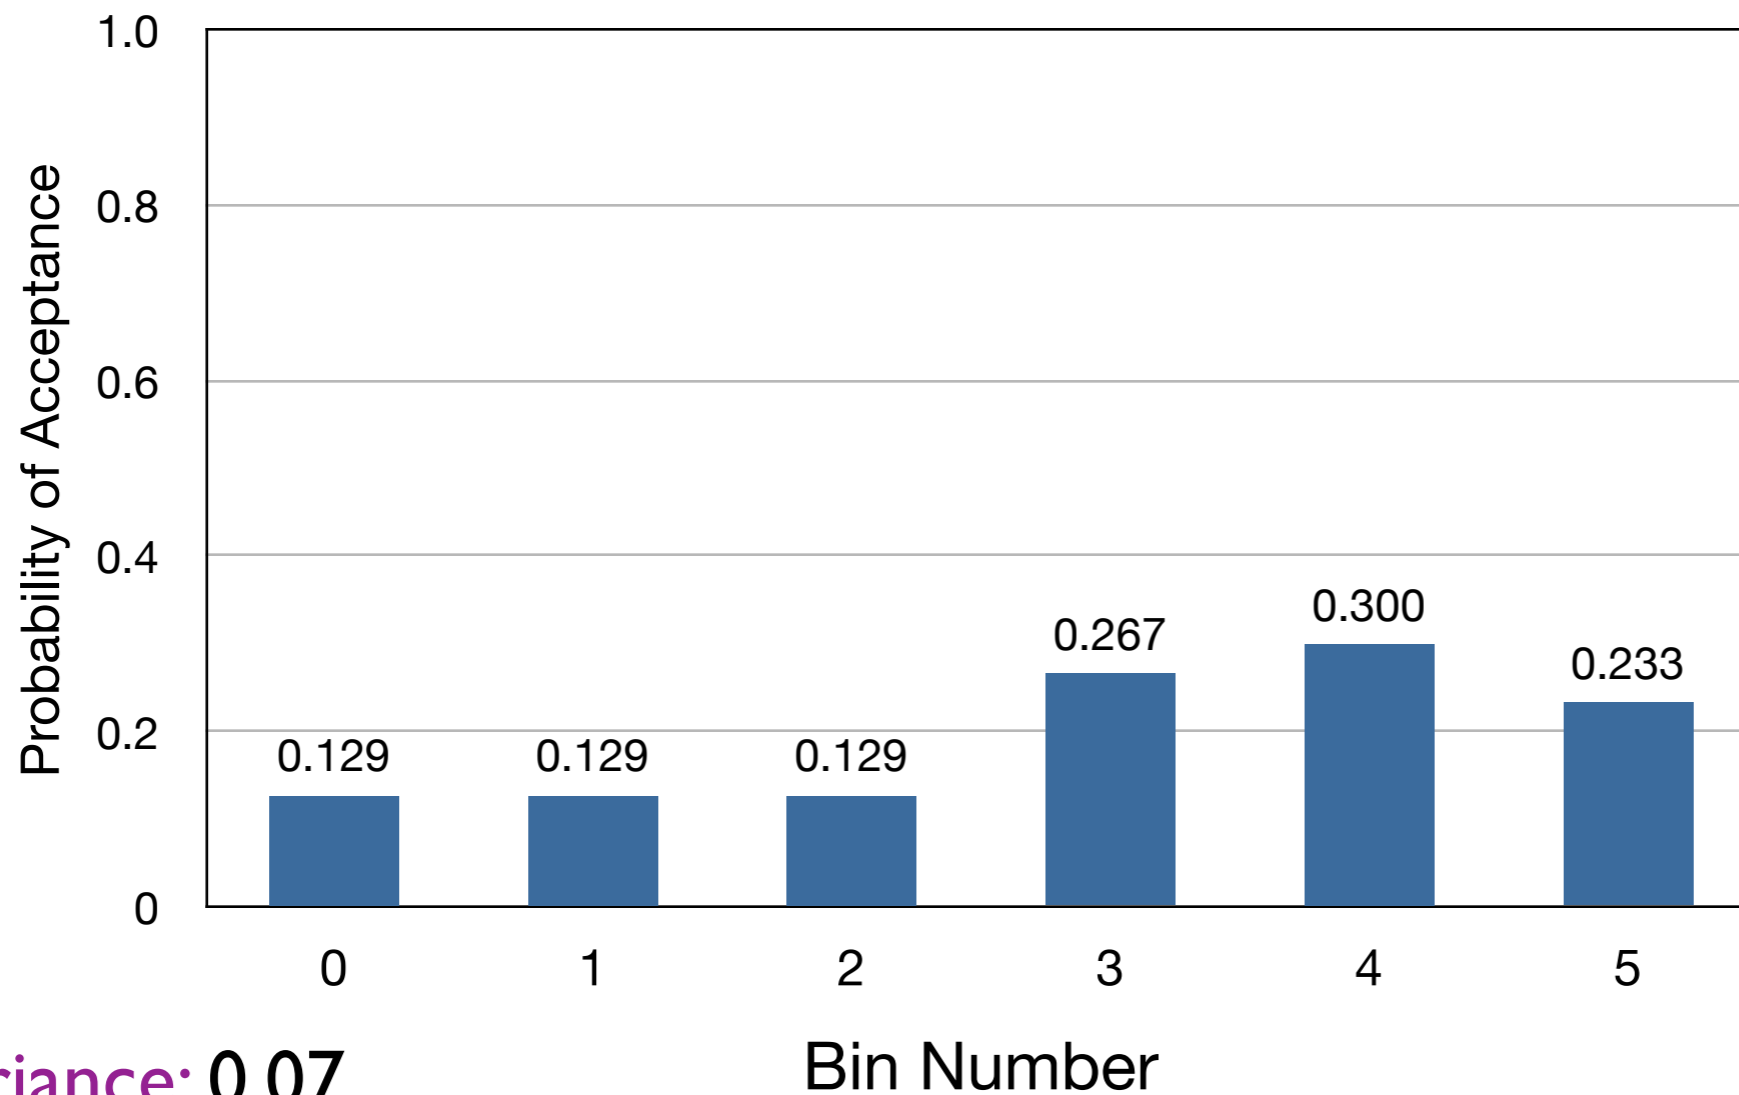

Acceptance Rate vs. Time (Hours)

Acceptance Rate vs. Time Before Deadline

Acceptance Rate vs. Submission Num.

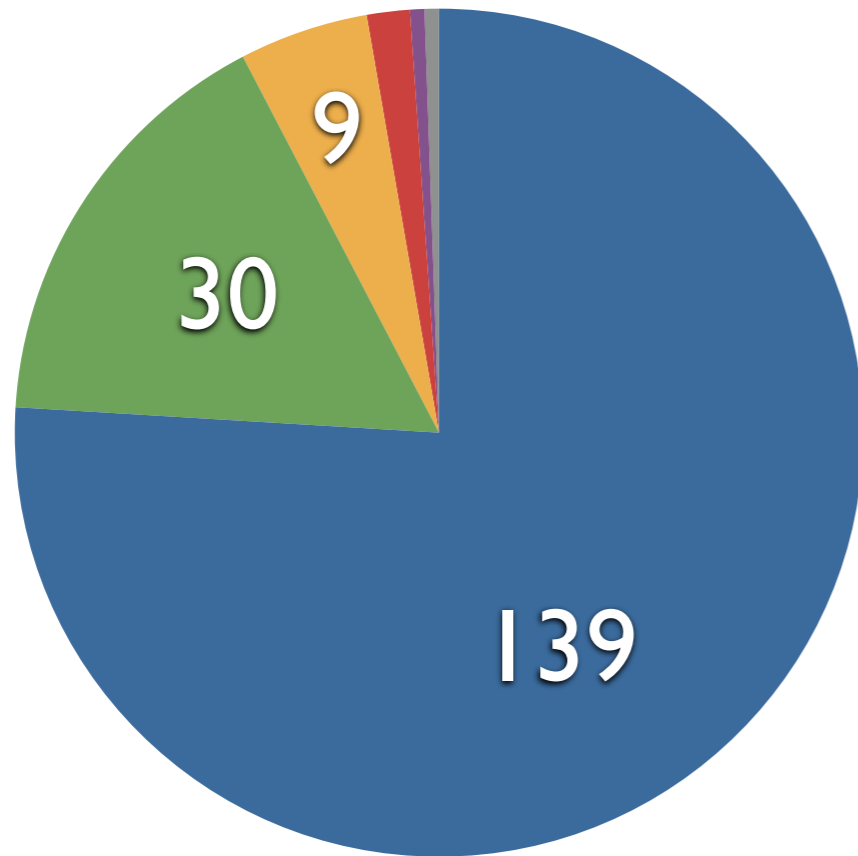

Acceptance Rate Binned By Submission Number

There appears to be an advantage to submitting in the last day -- but exact hour doesn't matter.

Number of Revisions (Talk Subs.)

Number of Revisions with Submission

Number of Revisions Post-Acceptance
